BWI SUBMARKET

The BWI submarket includes the section of Anne Arundel County from Elkrige and Linthicum Heights south to Odenton and Gambrills. In the northeast section of the submarket lies the Baltimore/Washington International Thurgood Marshall Airport, the primary airport serving the Baltimore metropolitan area and surrounding locations. Fort Meade, a census-designed community southwest of BWI, is the locations of U.S. Army post Fort George G. Meade. Encompassed by Fort Meade are the National Security Agency, Central Security Service, United States Cyber Command and the Defense Information Systems Agency, making the U.S. Army fort a hub for government activity. South of Fort Meade is Odenton, which is the site of the Odenton Town Center development, connected to the rest of Odenton by Town Center Boulevard. The area has experienced tremendous growth, with over half a dozen new commercials and convenience projects developing in the area. Ultimately, the BWI submarket is a center for travel, whether to and from Baltimore and Washington D.C. by way of train, or national and abroad via BWI.
